

# 2019 JUNIOR BEEKEEPING CAMP

# \$150

Register at  
<http://AgriLifeRegister.tamu.edu/BexarCounty>

Learn the basics of honey bees and beekeeping in a real apiary! Campers will have the opportunity to put on bee suits, open a hive, see the honey bee queen, diagnose problems with hives, feed hungry hives, extract honey and bring a jar home, learn about native bees and build a Mason Bee home for their backyards. This is a unique, exciting experience for youth who have a love for nature, insects, beekeeping, or adventure!

9AM-1PM

## JUNE 27-28

24510 CLEARWATER RUN - CLEARWATER  
APIARIES, LEON SPRINGS

### WARNING!

This camp is for well behaved, mature individuals. Campers who have behavioral problems, a fear of bees, allergy to bee stings, do not like tight spaces, have or sensory issues **SHOULD NOT REGISTER!**

Campers who fail to follow instruction or are disruptive, will not be allowed to go out to the bee yard and will not receive a refund. We take the safety of your child and those around them very seriously!
